

Welcome back!

Thank you for your patience and support while we tended to some much-needed repairs and asbestos removal around our greens. The greens are now ready to go, however we need to make a couple of things clear to ensure your Club remains compliant with the COVID Safe Industry Plan.

- Under the Clubs COVID Safe Plan, everyone who visits the Club must **SIGN IN AND SIGN OUT**. Upon arrival, please sign in at the reception kiosk by swiping your member card. Visitors must fill out a sign in slip located at reception or bar. Signing out can also be done at reception or bar on sign out register. Signing out cannot be done by swiping your card.
- The game times will be 9am (GROUP 1), and 1pm (GROUP 2). The maximum number of players per group is 40. This is to ensure the Clubs COVID Safe Plan is adhered to. Arrival time for the morning game is 8:30am. Please do not arrive any earlier. The doors will be opened at 8:30am. A volunteer will be designated as the tea and coffee marshal and 30 minutes before your scheduled start time, that person will be serving hot drinks for you. You are not permitted to help yourself. The coffee shop will also be open.
- Payment and registration will be done in the main bar. Sanitiser will be available. Once registered, everyone must be seated. Pre-game involves payment and team allocation only. All raffles, prizes, announcements, birthdays etc is to be done after the game in the bowler's den.
- Every team is to nominate a marshal. The marshal is the only person permitted to touch the mats and the jack before, during and after the game. Each team marshal will set up the rink before play. No one else in the team can touch the mats or jack. Each player is responsible for their own bowls. Do not touch other players bowls.
- Players arriving for the 1pm game must also be seated in the main bar before their game. Areas of the Club have limited capacity based on their size. We need each group to stick to their designated area before and after the game.
- After the game, the marshal will place mats and jack in sanitiser tub. All players will make their way to bowler's den for post-game announcements. Everyone must be seated. The bar, bistro and coffee shop will be open. Tea and coffee station will not be available.
- Registration sheets will be displayed in the foyer as per normal. Single use pencils will be provided, please place in the 'used' box when done.

- During the game please be mindful of maintaining physical distancing.
- You will see sanitiser stations both inside the venue and around the greens. Please use them before, during and after your game.
- Please remember you must be seated when inside the venue.
- You are encouraged to bring your own water bottle (containing only water) as the station outside will not be in use. Water is available at the bar.
- Spectators must not enter the field of play.
- Please refrain from licking your fingers (or anything/anyone else) before bowling (or any other time). It is not hygienic and does not meet COVID safe practices.
- If you are feeling unwell or are showing any signs or symptoms of COVID, you are not permitted to enter the Club or play bowls. Please stay home.
- Please remember to sign out when leaving the Club.
